Terms and Conditions

Awards

Please refer to FIERF Policies & Procedures for Funding Grants (revised 2022)

FIERF Education grants may be used to purchase components to build or manufacture equipment with an educational or training focus.

Up to ten percent (10%) of the total direct cost may be allocated for institutional overhead in lieu of indirect costs.

Grants will normally be made to organizations and not to individuals. All printed materials produced as part of the proposal or project will acknowledge FIERF by including the statement "Funding in whole or in part by the Forging Industry Educational & Research Foundation".

Awards will be rated within the following categories including weighing factors:

Addresses Needs of the Industry	Educational Value	Industry Partners and Students Identified	Clearly Defined Metrics & Deliverables	Clearly Defined Task Plan	Complexity/ Achievable within Timeframe
5	5	3	3	2	2

Payment

The Foundation operates on a reimbursement basis. Upon approval of the grant, the Foundation will encumber sufficient funds to cover the funding request. Reimbursement of the actual costs and disbursements as originally agreed upon in the grant award and budget schedule will be made to the grantee organization on a quarterly basis.

Requests for reimbursement must include:

- ◆ A progress or the final report
- ◆ An invoice with 1) actual expenses, 2) payment request and 3) grant balance.

Progress Reports

A progress report of grant activities, implementation and results must be submitted to the Foundation along with the request for a progress payment. The report must document the grant activities and accomplishments related to the reimbursement request. The report must comply with any special requirements included in the award document.

In order for payment to be released, the report must be approved by the project's Industry Partner and Project Champion.

Final Report

The final report of grant activities, implementation and results must be submitted to the Foundation in order to be eligible for the final payment. The report is due by the date specified in the proposal or 3 months after the completion of the project. The report must document the results of the grant activities as related to the goals and objectives outlined in the proposal. A copy of the materials developed as a result of the grant must be included in the final report.

In order for payment to be released, the report must be approved by the project's Industry Partner and Project Champion.
